

Cross Trails Ministry Campership Request Form

No one should miss out on a camp experience because of money! Cross Trails Ministry has a long standing policy of providing financial aid in the form of camperships to summer campers and programmed retreaters.

A typical campership is no more than one half of the camp or retreat fee. Arrangements can be made with our office to pay the remainder of the fee in installments. However, campers and retreaters who need more financial aid should not be discouraged. Just indicate the amount you need and we will work with you to get a sponsored campership.

Camperships are not available for rental retreats or entire groups. They are granted on an individual or family basis, based on need.
