Ministry...

Pave the Way
for future generations!

This spring we invite you to celebrate your memories and loved ones by making their name a permanent part of the pathways at Lutheran Camp Chrysalis. You can purchase a stone brick that will enhance the natural settings at camp, and your gift to the annual fund will pave the way for generations to come!

For a donation of \$75 or \$100, you can leave a lasting impression by purchasing a personalized brick, which will be installed in the pathways around Camp Chrysalis. In purchasing a brick, you are making a financial impact that enables Cross Trails Ministry to offer outstanding programs, maintain the day to day operations of our sites, provide camperships to those in need, and to continually update our facilities.

You may choose to have your name engraved in the brick, have it inscribed in memory or honor another individual, or use it as an opportunity to leave a personalized message. Create a message that is meaningful to you by choosing a name, date, or scripture. No advertisements or websites please, and the inscriptions must be appropriate for camp. Cross Trails Ministry reserves the right to approve any text submitted.

For \$100 you can inscribe 4 lines of text on a 4x8 brick.

For \$75 you can inscribe 3 lines of text on a 4x4 brick.

Bricks are currently being placed in the walkways from the Dining Hall to the Chapel. For an additional \$50, the location & placement of bricks can be designated on the path. All bricks are tax-deductible, and you will receive a letter acknowledging your contribution to the annual fund.

Come walk the path and find your engraved brick, because finding your brick can be half the fun! We hope you'll take advantage of this special opportunity.

To order your stone brick, please complete the back of the order form, attach your payment and return it to Cross Trails Ministry. If you have any questions, please do not hesitate to contact our office!
