

Lutheran Youth Leadership Experience

The LYLE I Program

The LYLE Program is a progression of leadership camp experiences to prepare high school students for a lifetime of faith in action. Discover your leadership gifts and take your faith deeper as a LYLE I. Be ready for a life changing camp experience different than any you have had before.

What is the LYLE I program?

The Lutheran Youth Leadership Experience (LYLE) program is a leadership development program that combines leadership skills, service, and each young person's individual God-given gifts and interests. This program provides intensive and challenging hands-on leadership experiences through participation in the camp community and experiential learning sessions. The program is designed for youth that are excited about camp and the community that it brings. We strive to teach youth useful skills and empower them to become an active member of their church and community while still enjoying all of the camp activities that Camp Chrysalis offers.

Who can participate in the LYLE I program?

Youth who have completed the 8th grade through those that have completed the 11th grade are invited to attend this program. **ALL PARTICIPANTS MUST HAVE COMPLETED THEIR 8TH GRADE YEAR.**

What are the components of the LYLE I program?

Participants in the LYLE program will gain knowledge through experiential learning sessions. The focus of the LYLE program will be on spiritual gifts and how individual gifts are utilized in ministry. LYLE campers will learn what faith has to do with daily life. They will find how their individual skills can be used to serve their communities. Campers will learn how to use these skills not only in the camping community, but also in their homes, schools, and churches.
