

## **In Honor of Camp Chrysalis' 75th Anniversary!**

For generations, youth, adults and families have come to Camp Chrysalis for summer camp and retreats and encountered God in life-changing ways.

In honor of Camp Chrysalis' 75th Anniversary, and in recognition of impact the camp and retreat ministry has on both faith formation and leadership development, the synod assembly offering will go to Cross Trails Ministry. Specifically it will go toward the purchase of kitchen equipment for the new Camp Chrysalis Dining Hall.

Gathering for meals and fellowship is integral to the camp and retreat experience. The Camp Chrysalis Dining Hall was built over 50 years ago when the camp was used mostly for summer camp. Cross Trails' now serves youth, adults and families year-round. There is a need for more indoor space, greater accessibility and a modern commercial kitchen.

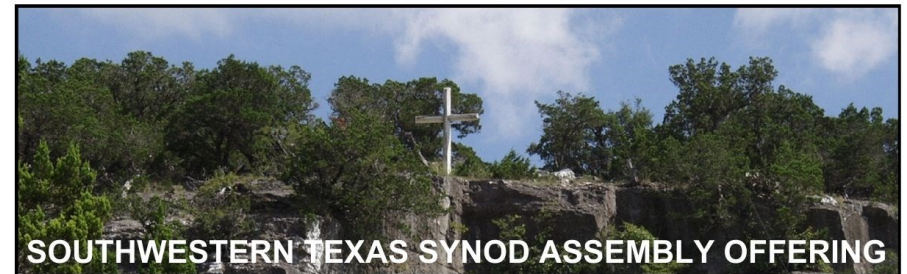

Cross Trails Ministry is now laying the groundwork for a capital appeal to build a new Dining Hall at Camp Chrysalis. It will allow the entire camp to eat indoors, and offer improved gathering space, accessibility and food service options. When the building nears completion, these offering funds will be readily available to help purchase all of the equipment at once!

Some of larger items needed are:

Walk-in Fridge and Freezer      Hot and Cold Food Service Stations  
Large Commercial Dishwasher      Convection Ovens, Griddles and Stoves

This building will enhance the Camp Chrysalis summer camp and retreat experience for generations to come!

Thank you for giving to the Southwestern Texas Synod Assembly Offering in honor of Camp Chrysalis' 75th Anniversary!
